SERIES 14 DOG FIGHT Ⅱ ・・・・3

SERIES 15 FLAT OUT ・・・・87

SERIES 16 1986 YATABE ・・・・169

IF THE ENGINE CAN PRODUCE 600HP...

...KEEP IT AT 500HP.

THE MOST IMPORTANT THING IS TO KEEP IT BALANCED.

IF THE CAR CAN ACCELERATE TO 300KM/H, STOP AT 280KM/H.

THEN THEY WONT BE SATISFIED UNTIL THEY HIT THAT SPEED.

BUT MOST DRIVERS ARE NOT THAT SMART SO IT'S NOT ENOUGH.

IF THE CAR CAN GO 300KM/H...

DOG FIGHT II ①

ゴゴゴゴ

ドドド

SPEED METER
220
TRIP 0-400

THIS MOMENT ...

SPEED METER
253
TRIP 0-400

FUSO
I'VE DREAMT OF THIS VERY MOMENT MANY TIMES...

IT'S STRANGE ...

RIGHT NOW, I'M STRANGELY CALM.

..I THOUGHT I'D LOSE IT
ED
25
TRIP 0-400

WHEN THE TIME CAME ...
ED
24
TRIP 0-400

WELL THEN.. SHALL WE GO LITTLE LADY?

!

I'M SURE THEY'RE ALREADY HAVING THEIR RACE.

EH? BUT...

NO MATTER HOW LONG YOU WAIT, THERE'S NO ONE HERE

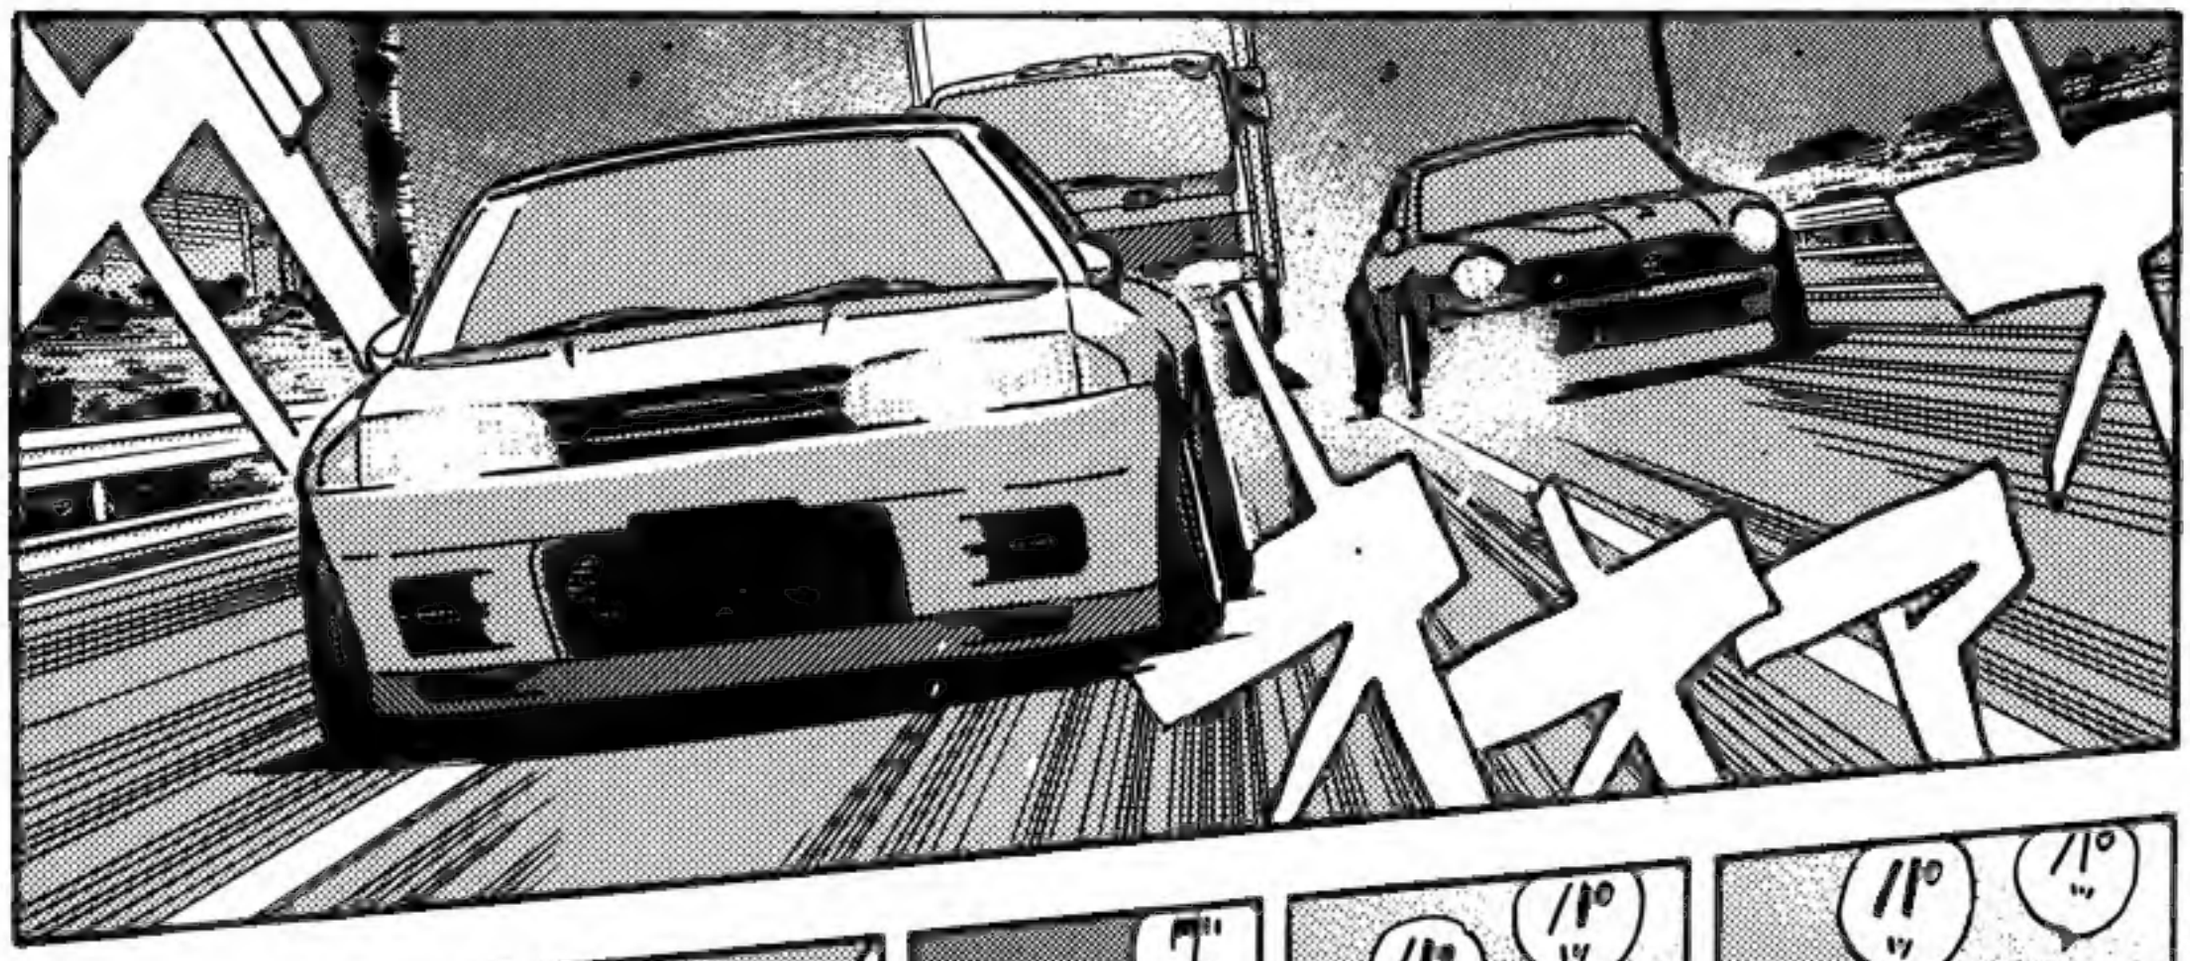
LET ME SHOW YOU...

THE DRAGON I MADE...

THIS R TOOK EVERYTHING FROM ME.

TAKE A LOOK AT...

...MY ULTIMATE R!



I GAVE BIRTH TO OUR CHILD... KOUICHI.

IN THE END, I'M STILL THE SAME MOTOR-HEAD.

ARE YOU GOING BACK TO THOSE OLD DAYS?

I THREW AWAY MY HAPPINESS ...

...AND REPLACED IT WITH A NEVER-ENDING RACE.

THAT'S RIGHT. I'VE GONE BACK.

THE MAN THAT GOT ME INTO THIS DRUG...

OVER STOCKHOLSEN AVENUE

ONCE AND FOR ALL!

LET'S SETTLE THIS...

WHICH ONE OF US IS FASTER?

BOTH OF ONE?

DEVIL
Z!

...I'D NEVER THINK MUCH ABOUT IT.

...NO MATTER HOW MANY PEOPLE DIED...

THE TRUTH IS...

I DON'T WANT THAT HAPPEN-ING TO YOU... AND ONLY YOU.

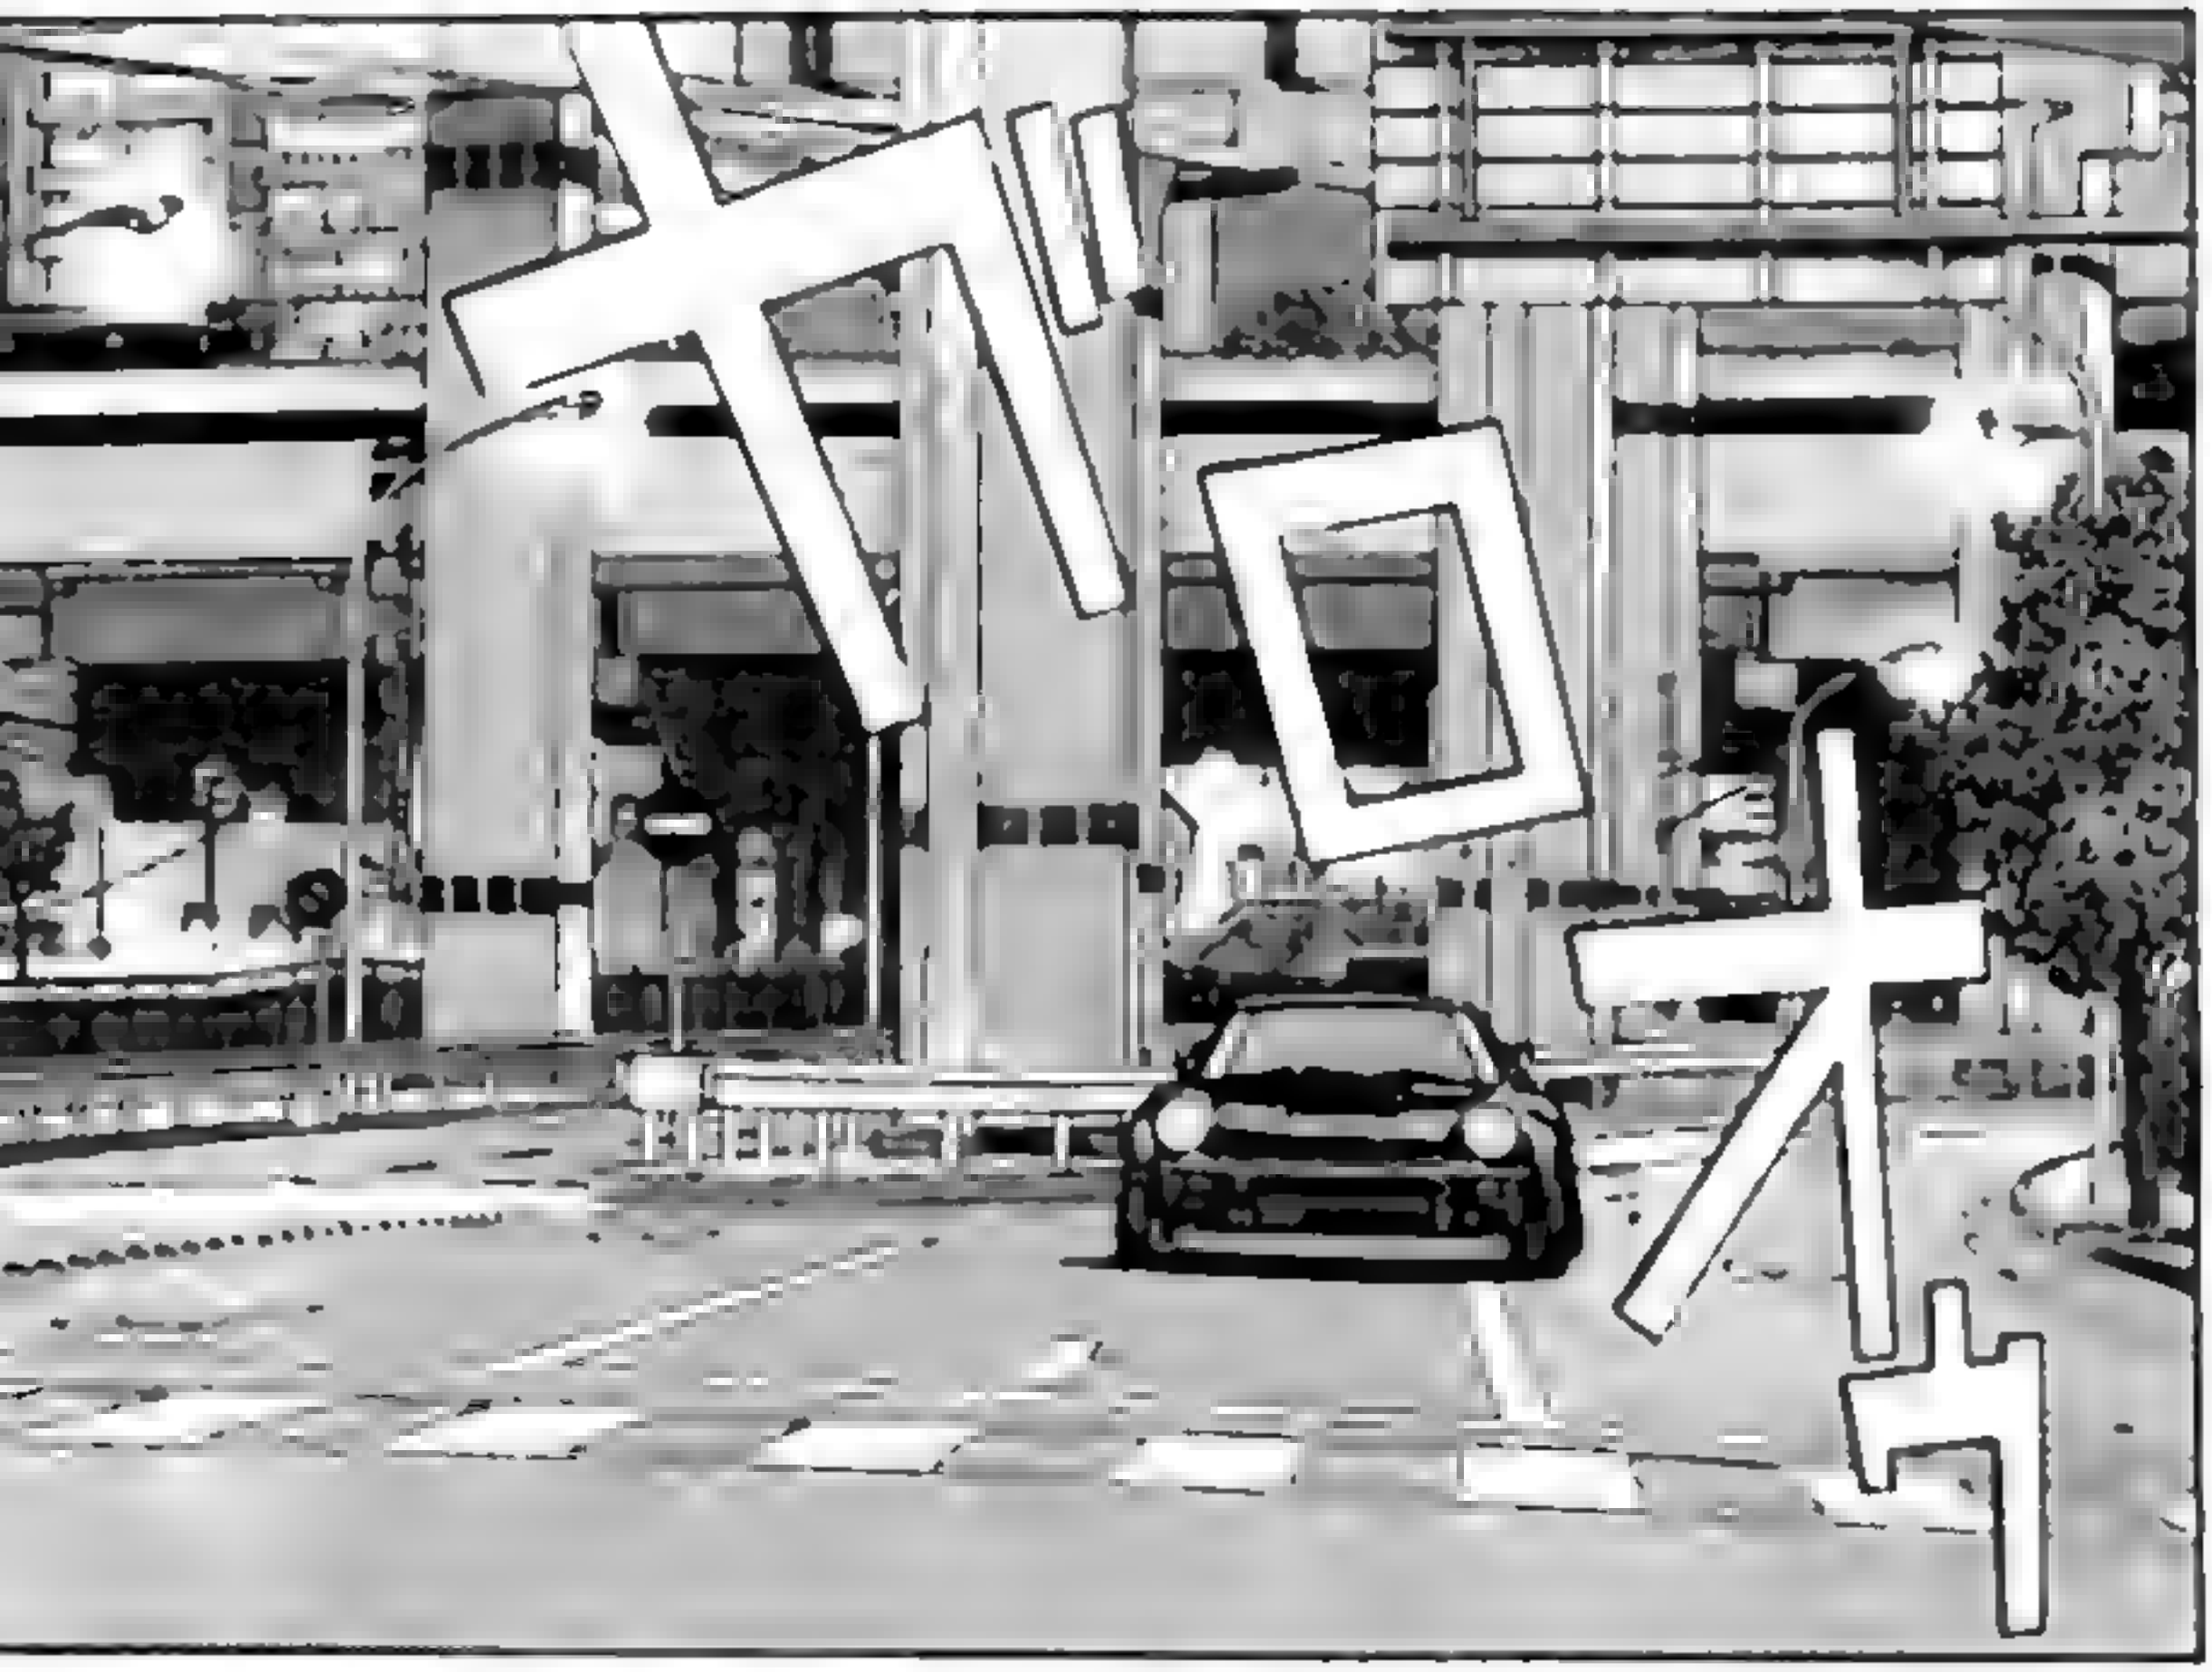
THIS R THAT YAMAMOTO MADE, AS WELL...

BUT...

...IT WOULD HURT ME IF IT HAPPENED TO YOU.

YOU WONT BE ABLE TO MEET THEM.

GO HOME. YOU ALREADY MISSED YOUR CHANCE TONIGHT.



ホワア

BUT AT
ENGINEERING,
IT'S TOTALLY
DIFFERENT.
CRUISING AT
200KM/H
PASSES OTHER
CARS SEEMS
LIKE THEY'RE
NOT MOVING.
RUNNING
WHILE MAKING
ADJUSTMENTS
IS PROBABLY
SENT IN A
HIGH SPEED
FACT.
THE ENGINE IS
ALSO REVVING
HIGH AT HIGH
SPEED.
A RACER
HIGH
SPEED
SPIN.

IF IT'S A RACE AT [illegible] THEN YOU [illegible]

THAT'S [illegible]

...THE ENGINE IS HOLDING TOGETHER.

EVEN WHEN REVED LIKE THIS...

WATER TEMP. [illegible]

OIL TEMP [illegible]

THE MOMENT OF TRUTH

[illegible]

I'M WAT-[illegible]

HE'S WAITING FOR HIS CHANCE TO BEACH HIMSELF!
TOO LATE!

CHROMOLY ...?

TAKE A LOOK AT THE ROLL CAGE.

YOU CAN FIX THAT BY SWITCHING TO 50MM CHROMOLY PIPES.

YOUR R...

YOU KNOW IT'S ABOUT 100KG HEAVIER THAN A STOCK VERSION, RIGHT?

THE DOOR'S SO HEAVY IT'S PROBABLY PACKED WITH THE STUFF.

EVEN IF THE VEHICLE SHAKES A BIT, IT STILL FEELS SAFE INSIDE.

THE ROLL-CAGE AND SUCH ARE CRAMMED TO THE GILLS WITH HARD PIG IRON.

CHROME MOLYB-DENUM STEEL...

I DON'T THINK YAMAMOTO IS A BETTER TUNER THAN ME.

HOW-EVER...

IT'S LIKE A BIG BIRDCAGE SURROUNDING US COM-PLETELY.

'COURSE, IT'S NOT RACING-CALIBER REINFORCE-MENT.

GIVES ME THE CHILLS.

HE'LL PROBABLY NEVER TUNE ANOTHER CAR AGAIN.

YOURS WILL BE THE LAST.

IT'S AMAZING THAT NONE OF HIS CUSTOMERS HAVE DIED.

HUH?

LET'S HEAD BACK. MAKE A U-TURN AT 001.

LOOKS LIKE WE'RE A BIT TOO LATE...

AS LONG AS YOU'RE THE ONLY ONE WHO DOESN'T GET HURT... THAT'S HOW I FIGURE HE THINKS.

NO ONE ELSE MATTERS.

YOUR TIMING...

...ISN'T HALF BAD TONIGHT, EITHER.

YOU'RE ALWAYS TRYING TO LEAVE ME OUT WHEN I'M NOT PAYING ATTENTION.

THAT WAS CLOSE.

BUT FIRST, OUR FIRST OPPONENT...

...BLACKBIRD!

LET'S GO.

GUESS I DON'T HAVE A CHOICE...

DOG FIGHT II ① END

Carisma
